BUILD A BETTER WORLD™

SUMMER @ YOUR LIBRARY

Build a better you,
better friendships, a
better community, and a
better planet!

Enroll in Summer @ Your Library between June 1 - August 31.

Read and participate in activities to unlock virtual badges and
win prizes when you enroll in HCLS' Summer @ Your Library:
Build a Better World for **children, teens, and adults**. Whether
you participate in our new online experience or traditional print
version, choose from a variety of activities and reading options.

Complete the required number of books or activities to **earn
virtual badges** valid for prizes* and/or entries into branch and
grand prize drawings. Collect your virtual badge online, or come
into the library and show us your booklet to log your progress.
Reading may be substituted for any activity.

Visit **hclibrary.org/HCLSsummer** or any HCLS branch.
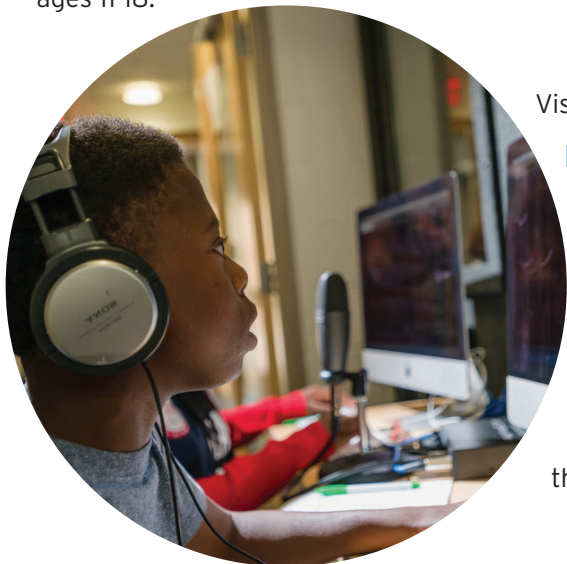

Sponsored by Friends of HCLS
*All prizes and coupons while supplies last. Limit one enrollment per person.

HiTECH SUMMER CLASSES

HiTech classes run weekly, with 90 minute sessions each day of the week, from June 19 - September 1. Classes held all summer at HCLS Savage and Central Branches, and for few select weeks at Glenwood Branch. All classes are for ages 11-18.

Visit **hclibrary.org/hitech** for the schedule and to register.

Registration opens two weeks before the class begins.

HiTech, HCLS' STEM education initiative, teaches cutting-edge science, technology, engineering, and math (STEM) via project-based classes that include virtual reality, computer programming, 3D design and animation, music and video production, game apps, graphic design, chemistry, biology, and robotics.
