

# Intramural Permission Slip

## Session 4: April 18 – June 8, 2017

Glenwood Middle School  
2680 Route 97,  
Glenwood, MD 21738

Robert Motley - Principal  
Debbie O'Byrne - Assistant Principal  
Front Office Phone: (410) 313-5520

**COST.** Students who wish to participate in intramurals pay a fee of \$40.00 per program (checks made payable to the Glenwood PTSA), per student. Some sessions require additional fees based on the nature of the program, this is noted in the intramural description. This is a session-based fee, and monies are not compensated due to inclement weather days or other cancellations due to extenuating circumstances. Scholarships are available for those who need one, please contact Assistant Principal O'Byrne for more information. *Refunds will only be issued within one week of the intramural start date.*

**TRANSPORTATION.** Intramural programs will run from 2:25 to 3:25 PM the specified day each week during the session. All students participating in intramurals need to prearrange their own transportation home from the intramural. If a student is continually picked up late from a session, they may not be allowed to continue participating in intramurals. You do not need to send in a note granting permission for your child to stay after school on the days they are signed up for an intramural. You may choose to allow your child to walk to the Glenwood Library/Glenwood Community Center after intramurals if a 3:25 pickup does not work for your family. Students may ride home with another parent if they have written permission from their parent/guardian.

**OTHER INTRAMURAL POLICIES.** Intramurals programs are not held on early dismissal days. Intramurals may be cancelled based on enrollment. Cancellations may also occur due to inclement weather or unavoidable emergencies. Any change in the schedule will be announced in advance during the school day. Due to this possibility, please make sure your child knows what plans he/she should follow to get home in case a cancellation occurs. Students should dress appropriately and are expected to follow school policies and procedures at all times. Program space is limited, and enrollment is mostly on a first come, first served basis with the exception of the Cooking with Italians intramural (see program for details.)

## **INTRAMURAL PROGRAMS**

Students will have the opportunity to focus on landscape drawing and painting. Hopefully we will be able to go outside to paint during this session.

**"Bella Notes" Ladies Vocal Ensemble/Choir** - Tuesdays    Sponsored by Ms. Johnson    Location: Room 37

This ensemble will be an auditioned ladies a capella choir, named "Bella Notes", who will perform one or two pieces at the Spring Chorus Concert on June 12th, 2017 at 7pm at Glenelg High School. I am looking for approx. 20 singers that are dedicated and would like the additional training that singing in a small auditioned group will provide. You do not need to currently be a member of the GMS Chorus/Choir to audition for this ensemble. Students will need to audition and should see Mrs. Johnson ASAP to get audition requirements and set up a time to sing for her. The first rehearsal will be Tuesday, April 25th, 2017 in room 37.

---

**Homework Club** - Thursdays

Sponsored by Ms. Mehalko

Location: 29

Students seeking a place to get their HW done immediately after school, and/or need assistance organization.

---

**Glenwood Film Festival** - Tuesdays

Sponsored by Mr. Lovera

Location: Computer Lab

Do you have a story to tell? You are only limited by your imagination! After coming up with a short story, participants of the Glenwood film-makers must decide on a project format (such as animation, live action, claymation, etc). At the conclusion of the program, we will have an informal Glenwood Film Festival where students can share their films with peers (parents welcome).

### **Math Coaching**

Students receive additional support with completing their math homework. Additional, related practice problems are provided should assigned homework be completed prior to dismissal time. While not intended to replace one-to-one tutoring, mathematics instructors, through working with students towards homework completion, provide individual assistance. This intramural is offered on Tuesdays and/or Thursdays. Be sure to sign up for the appropriate day that matches your child's current math course placement.
