Our Vision and Mission

2

Vision:

At Glenwood Middle School, we are committed to fostering relationships between students, staff and families that empower all members of our community to achieve success.

Mission: We will achieve our vision because we are committed to:

- demonstrating respect for ourselves and others.
- establishing and maintaining inclusive relationships.
- striving to do our best.
- empowering all community members to advocate for themselves and others.

DON'T CONFUSE INCLUSIVE RELATIONSHIPS WITH "POPULARITY"

Popularity is not a guarantee of quality.

-Indira Ghandi

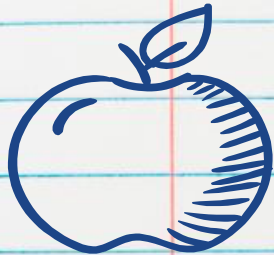

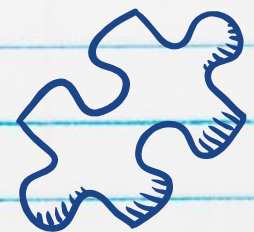

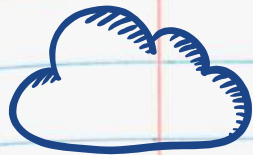

According to Prince EA

“The truth is: Belonging starts with self-acceptance. Your level of belonging, in fact, can never be greater than your level of self-acceptance, because believing that you're enough is what gives you the courage to be authentic, vulnerable and imperfect.”

-Brene Brown

Diversity is having a seat
at the table, inclusion is
having a voice, and
belonging is having that
voice be heard.

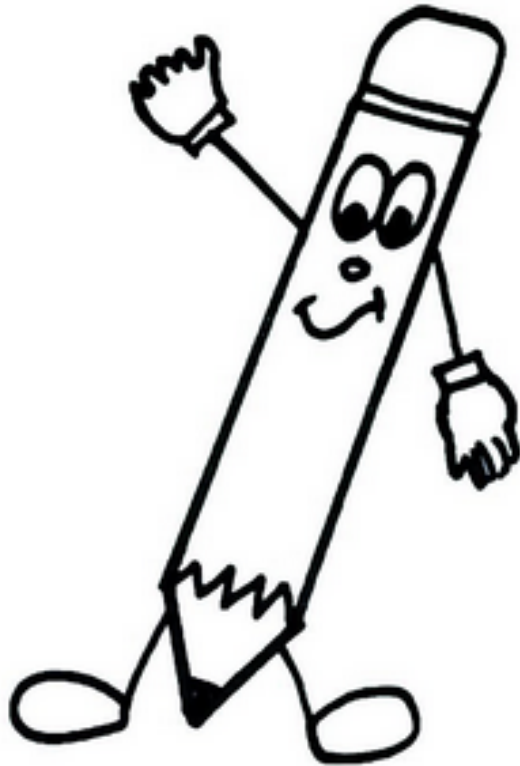

A survey is coming! Students will complete a short, 18-question survey twice this year. Only school counselors will be able to view student names and specific responses. The survey is a research tool from Dr. Carol Goodenow's work and will be used by GMS staff to help ensure all of our students feel a strong sense of belonging to our GMS community.
