

Intramural Permission Slip

Session 1: October 17, 2022 to January 27, 2023

Glenwood Middle School
2680 Route 97,
Glenwood, MD 21738

Melissa Shindel - Principal
Gregory Lertora - Assistant Principal
Kristine Viens - Intramural Coordinator

OVERVIEW. Intramurals will be offered for two sessions during the 2022-2023 school year. We will have a fall session and a spring session. **Program times and dates will vary**, so please pay careful attention to program specifics when signing up in order to ensure the program times and days fit your schedule.

TRANSPORTATION. All students participating in intramurals need to prearrange their own transportation home from the intramural. If a student is picked up late from a session two times, they may not be allowed to continue participating in intramurals. You do not need to send in a note granting permission for your child to stay after school on the days they are signed up for an intramural. Your signed enrollment form serves as permission. You may also choose to allow your child to walk to the Glenwood Library/Glenwood Community Center after intramurals and pick them up there*. Students may ride home with another parent if they have written permission from their parent/guardian.

OTHER INTRAMURAL POLICIES. Intramural programs are not held on early dismissal days. Intramurals may be canceled based on enrollment. All programs require a minimum of ten students. Cancellations may also occur due to inclement weather or unavoidable emergencies. Any change in the schedule will be announced in advance during the school day. Due to this possibility, please make sure your child knows what plans he/she should follow to get home in case a cancellation occurs. Students should dress appropriately and are expected to follow school policies and procedures at all times. Program space may be limited, and enrollment is mostly on a first come, first served basis (see program for details).

Please note session times and dates in the program descriptions, as they vary.

**If you choose this option, HCPSS is not responsible for your student once they leave the property.*
